

DIVERSITY, EQUITY AND INCLUSION

Our vision for the future is that LyondellBasell is a place where DEI (diversity, equity and inclusion) is embedded within our culture as deeply as safety, where we own it and live it every day. We believe each of these values – diversity, equity, and inclusion – plays an essential role in our success not just as a company, but as a corporate citizen.

DEI Accomplishments and Milestones

lyondellbasell
Advancing Possible

At LyondellBasell, diversity, equity, and inclusion are not just moral imperatives, they are integral to our mission that attracts, develops, excites and retains exceptional people.
